Disclaimer

Ethos' analyses are based on information gathered from sources available to investors and the general public, e.g. company reports, websites and direct contacts with company officers. Ethos processes the information received and formulates its own voting recommendations in accordance with its voting guidelines (www.ethosfund.ch). Despite multiple verifications, the information provided cannot be guaranteed accurate and Ethos shall assume no liability with respect to the consequences of relying on this information. The analyses are intended to help investors (members or clients of Ethos or any other potential users) make informed decisions at companies' general meetings but cannot, in any way, be considered as a portfolio investment tool or advice for investing in securities. The voting decision is the sole responsibility of the user of this report.
